DC solar lighting system

ENTELECHY
power your life with green energy

Detail analysis

SG1220W&SG1230W& SG1250W
Cigarette interface, Radio & Mp3
working for DC TV& Fan
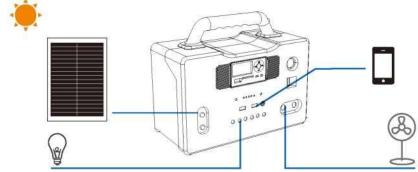

Model	SG1250W
Solar panel	18V-50W with 8M cable
Battery	12V 20AH Lead-acid battery
LED bulb	12V 3W*3pcs & 5W*3pcs with 4M cable and switch.
USB output	5V-1A*2
Solar controller	12V-5A
Min stereo	MP 3 player, Radio function
Output voltage	USB 5V output: 5V-2A(MAX) DC 12V output: 12V-0.5A*6(MAX)
Charging mode	PWM
Charging time	10H
Fuse	10A
Package	2pcs/CTN, 19.5KG, 535*350*310mm Solar panel package: 5pcs/CTN, 22KG, 580*700*250mm
Color	Yellow

System Features

- Solar independent power supply
- High photoelectric conversion efficiency
- Good compatibility, stability performance
- Simple installation, plug and play
- Smart and practical, can be customized
- Built-in battery, safer and more reliable
